### Push Camera

available qty: **3** price: **Call 866-936-8476**

Camera has 200' push cable, stainless steel cart reel, 1.8" color self leveling camera, and location sonde. Control unit includes 8" LCD screen, 60GB hard drive, text generator and keyboard.

## DIGISEWER

**SOLD**

### DigiSewer Package

available qty: **1** price: **Call 866-936-8476**

Compatible with any ROVER crawler, DigiSewer side-scanning package contains camera, software, dongle, and USB software key.

## Laser Profiling

**SOLD**

### Laser Profiling Package

available qty: **1** price: **Call 866-936-8476**

Compatible with any ROVER crawler, the laser profiler package gives you the geometric data you need to characterize pipe defects and verify liner installation. Standard reports track a pipe's true diameter, ovality (per ASTM 1216), capacity, x/y diameter and maximum diameter. Package includes snap on laser profiler for RC90 camera, profiling software, and USB software key.
